

Pandaw River Expeditions

With ten luxury ships exploring the great rivers of South-East Asia, Pandaw offers a real adventure experience whilst travellers are cushioned with incredible comfort, fine dining, great cocktails and choice wines, not to mention extraordinary levels of service.

Pandaw run expeditions on three great South-East Asian rivers: Burma, on the Irrawaddy and Chindwin Rivers and through Cambodia and Vietnam on the Mekong River.

These three great rivers traverse mountains, forests, jungles and plains. Along their banks are the vestiges of lost civilisations and vibrant contemporary societies. Any Pandaw expedition contains a stimulating mix of history, art and culture whilst exploring modern day life.
