

PORSCHE RENNSPORT MOTOR RACING FESTIVAL

SYDNEY MOTOR SPORT PARK 25-26 MAY 2013

A FESTIVAL OF ALL THINGS PORSCHE

The largest gathering of Porsches ever at one race venue in Australia will occur at the inaugural Porsche Rennsport Australia Motor Racing Festival to be held on the weekend of May 25 and 26, 2013 at Sydney Motorsport Park Eastern Creek.

Spearheaded by Porsche Carrera Cup Australia and Porsche GT3 Cup Challenge Australia presented by Pirelli, the majority of the action at Porsche Rennsport Australia will take place on-track. To celebrate Porsche Cars Australia's inaugural event, both of these premium one-make sports car categories will be adjusting their normal championship rounds to deliver an endurance battle worthy of Porsche's motorsport history. Supported by a variety of other Porsche sport car racing and regularity events, the weekend will provide participants and spectators with an unforgettable injection of Porsche speed, agility, resilience and history never before seen on an Australian motorsport track.

The format for the all-Porsche event will be centred on Racing, Sprints and Regularity. Local and rare historic Porsches as well as famous racing cars from the Porsche Museum in Germany will be on display as well as performing demonstration laps, with more than 300 Porsches expected to participate.
