## Its official,

The latest and most exciting news for riders that want to experience a cycling trip like nothing ever offered before is here! The 2013 Scotty Brown trip of a lifetime to the 2013 Gran Fondo New York in May. To me, New York City is the best city in the world, travelling there for over 15 years and having a love for the vibrancy, buzz, shopping and lifestyle offering this trip to you gives me goose bumps! The NYC Gran Fondo is a 177Km bike race that starts on the exclusively closed iconic George Washington bridge and winds north on closed roads following the Hudson river through the stunning country side of NY state and finishes with breathtaking views of Manhattan island and the New York City skyline at Weehawken. **Oh and youll be part of the 7000 entrants!**

This trip is part cycling part lifestyle. We are staying in mid town NYC, at a boutique hotel close to the most famous NYC attractions. But let me make this very clear, this is a trip as much for your partner or friend as it is for the rider! NYC offers the best shopping known to man, we will be there in sale season, offering the best purchaes you'll ever find while enjoying an exchange rate that has never been seen before. The itinerary offers the ins and outs of this one off trip, but rest assured, this is a couples dream. While we are riding the loops of

the iconic central park, your partner can enjoy the tastes of the city.

Yes, we are going to ride the stunning NY Gran Fondo, but this is more than that, this is a lifestyle experience. We live NYC, shop NYC, eat NYC, see the attractions together or alone and you'll have your own time to breath and enjoy this city while taking part in an event that truly is taking place the the greatest city in the world. A trip for you to enjoy your own space, at your own pace or choose to get together with some other kiwis and venture into a world that is truly New York City.

Spaces VERY limited. The price is remarkably affordable. Inc a fabulous welcome dinner, tickets to the GFNY, exclusive entry to the GFNY, a NYGF race jersey, race pack, ticket to the NYC bike expo, and daily Scotty Brown excitement like shopping on canal road in chinatown, shopping in SOHO, visiting the World trade centre, catching a NYC subway to Brooklyn for dinner, daily rides round stunning Central park, visiting the empire state building, eating at the Asia de Cuba made famous in sex and the city, even catching a Broadway show. You want bang for buck? You got it!
