

# Rugby World Cup 2019™, Japan

update from our RWC Chief Ambassador.

Hi Andy Ellis here, HCB ambassador in Japan for Rugby World Cup 2019.

"Japan is such an amazing place to spend time. There are so many adventures to be had here - amazing food and beer (as you can prob tell from my photos), breath taking temples, incredible shopping, great culture and people are so kind and friendly. There really is something for everyone and during Sept and Oct 2019 there will be the bonus of RWC games at the end of each week!! How good.

Over the last couple of months I have been golfing on beautiful courses, been to the baseball, fishing, found an awesome beer garden on top of a train station, got lost down a side street looking for a Sake bar and absolutely nailed "Rocket Man by Elton John" at our local Karaoke bar!! I can't wait to share this stuff with HCB tours!!

As we get ready for a big season with my club team Kobe Steelers I can really feel the excitement around RWC 2019 growing in Japan. It is very hard to get tickets for games and accomodation is almost nearly all booked out.

We can't wait to show you Japan, so send the word out to your family & friends and make sure you all register with us at HCB Travel.

I couldn't recommend a better place to come and experience. We love it and I know you will too!!"

Cheers
