Pete Smith

I have had the pleasure of escorting All Black Tours around the Globe since the very successful 1996 campaign, where we won our first ever series in the Republic of South Africa. After 14 years presenting the 'One Eyed Rugby Show' every Saturday morning on Radio Pacific, I became known as the "Mouth from the South" and obviously now know everything about Rugby!!! 27 years of hosting sporting programmes and sports commentaries on CTV has given me the opportunity to meet the "movers and shakers" of Canterbury, New Zealand and International Sport. However, there will be nothing like, witnessing the All Blacks win the Rugby World Cup on foreign soil, especially sharing the moment in the company of friends.

Believe me there is no substitute to "being there"!!!!
