## Register now with Holland Clarke & Beatson

Following the success of our 2013 Silverstone, Nurburgring & Goodwood Festival of Speed Tour in June/ July, our escort racing personality 'Owen Evans', is keen to return so Holland Clarke & Beatson are currently planning the 2014 tour itinerary.

Although the 2014 dates for these two exciting events are yet to be confirmed, the itinerary is underway and we want you to be the first to receive a copy once the dates are finalised. The itinerary will not only incorporate the Silverstone F1 Grand Prix and Goodwood Festival of Speed but also visit selected motor museums/factory and stay in some of England's most picturesque countryside.

With tentative dates for the British Formula 1 Grand Prix at Silverstone 04-06 July, hopefully the wait for Goodwood Festival of Speed will not be far away.
