

## VIKING VOTED BEST RIVER LINE

For the second year in a row, Viking has been voted both the Best River Line and the Best Ocean Line by *Condé Nast Traveller* in the publication's 2022 Readers' Choice Awards. Plus, they were recently named #1 for both rivers and oceans by *Travel + Leisure*, making them the only cruise line to reach the top of its categories in both publications in the same year.

You're invited to experience the world's best river cruise line for yourself as you're immersed in new cultures on board their award-winning ships. With sleek Scandinavian design features and all the comforts of a luxe hotel, Viking ships are built to gently carry you into some of the most incredible cities in the world. So, you will arrive rested, relaxed and ready to explore.

Discover why well-travelled guests prefer to travel with Viking time and time again.

### TRAVEL WITH EASE

Unpack your bags just once, then settle in and witness the ever-changing landscapes and breathtaking scenery surrounding you. Discover the highlights of the world's most spectacular rivers – from the Rhine, Seine and Douro to the Mekong, Nile and Mississippi – all right outside your stateroom door.

### THOUGHTFULLY DESIGNED SHIPS TO ENHANCE YOUR JOURNEY

Viking's Longships and purpose-built ships have set the new standard in river cruising, providing the most spacious suites – including staterooms with full-size verandas. The streamlined design features and floor-to-ceiling windows create elegant, inviting interiors bathed in natural light. If you're still craving more of the great outdoors, you can head up to the expansive sun deck or dine al fresco on our Aquavit Terrace – the only outdoor restaurant on any river ship in Europe.

Because Viking owns and operates their ships, no detail escapes their attention – that's the Viking difference. They create meaningful experiences for The Thinking Person and make no apologies for their no kids, no casinos approach to cruising.

VIKING LONGSHIP
